SPLOST Success – Pennies for parks

In 1996 the Special Local Option Sales Tax (SPLOST) was approved by voters. The one-cent sales tax was extended in 2000, 2004, and 2008, and is essential in preserving greenspace and natural resources in Gwinnett County. Funding raised by the sales tax has provided many new trails, playgrounds, sports fields, aquatic centers and gymnasiums to the improve the quality of life for the citizens of Gwinnett County.

Originally built in the 1830s, the Lawrenceville Female Seminary is listed on the National Register of Historic Places. This historic building was first used as a finishing school for the county's young women. Unfortunately, a fire destroyed the original structure, and a new building was constructed in 1855. Later the Female Seminary was converted into a "civic center" for community activities, meetings, clubs, seminars, and at one time even housed a local radio station! The Gwinnett History Museum, located on the second floor of the building interprets life in early Gwinnett County. The exhibits relate to farm life, textiles, religion, schools and traditional music. - McDaniel Farm is restored to depict a typical 1930's farm in Gwinnett County • Furnished farmhouse
- Barn • Blacksmith shed • Carriage house • Tenant house • Tours • Pavilion • 3-miles of paved multi-purpose and soft surface trails • Restrooms • Grill

Considered to be one of the most unique parks in Gwinnett County, this former cotton farm, has been restored to depict typical 1930's farm life. The site has remained relatively unchanged since its drawing in the 1820 land lottery. In the early 1900's, the property was a thriving farm. In later years the farm housed sharecroppers and experienced the struggles of the Great Depression and the boll weevil. This story comes to life again in the property's original barn, well house, chicken coup, blacksmith shed and restored tenant farmer house. Designed to be educational, historical and recreational, McDaniel Farm Park offers classes, special events, and educational and volunteer opportunities.

Field Trips Educating students in a fun, interactive way! Our field trips give K-12 students the opportunity to experience Depression Era farm life first hand. Students walk the farm, discover crops, explore the original farmhouse and outbuildings and even go on a hayride! From planting crops to butter churning, our hands-on learning activities can be customized to suit your curriculum! Stay a little longer and have a picnic in the complimentary pavilion. Call today for more information on your student's visit to the farm!

Traveling History Trunks Bring history alive for your students! Trunks include age-appropriate activities. Perfect for teachers and home school groups! Call 770.814.4920 for prices and information. Exciting topics cover Native Americans in Gwinnett County, The Civil War, Early Gwinnett Settlers, Life on the Farm and World War II.
